# Museum Internship

## WORLD SCOUTING MUSEUM

The Largest Collection of Scouting Memorabilia in the World

The World Scouting Museum moved from Las Vegas to here in Charleston, WV so there are a lot of areas of attention that need to be addressed:

- Museum Accessioning
- Grant funding and proposals
- Storage Space Organization
- Cataloging
- Research
- Fundraising
- Guest Tours
- Social Media
- Web Development | Updating
- Collection Care and Management
- Digital Archiving
- Musical Recordings of Historic Pieces of Music

The World Scouting Museum in Charleston, WV is seeking Interns from local colleges and universities studying History or adjacent subjects and requires an internship for graduation. This is an unpaid internship, so the time volunteered will be contingent on the schedule of the intern's availability and the Museum's open hours.

If this opportunity interests you please reach out to the Museum Curator Alex Bennett at [wsmwvcurator@gmail.com](mailto:wsmwvcurator@gmail.com) or call us at the Museum at 681-265-1382 and leave a message for us to call you back.

If you are interested in this opportunity and are not a student please call us about our Docent program! We would love to have your help also! [www.worldscoutingmuseum.org](http://www.worldscoutingmuseum.org)

This is a unique experience for any prospective interns to learn many aspects of Museum work. This is an unpaid internship but we are hoping to be able to have some paid internships in the future.
